## OPERATION ROUND UP

While a few cents may seem insignificant on their own, when combined with donations from others, these member contributions are actively changing lives within your community.

More than 29,000 of our GreyStone Power members choose to help their neighbors each month through our Operation Round Up program by rounding up their power bills to the next dollar. For example, if your bill is \$72.80, it would be rounded up to \$73, with 20 cents donated to Operation Round Up. On average, members give about \$6 a year.

These funds support local nonprofits, including Sweetwater Mission, S.H.A.R.E. House, Special Olympics, Warehouse of Hope, CASA of Douglas County, Helping Hands of Paulding County, Beyond the Front Porch and more.

Local students also benefit from Operation Round Up, as the funds contribute to annual scholarships. Five \$3,000 scholarships are awarded to GreyStone members or their children each year. This year's winners are Nathan Zhu, Allison Martinez, Cheridan Sanders, Mia Morris and Casey Butler. In addition, two scholarships are allocated for technical college students. Visit [greystonepower.com/scholarships](http://greystonepower.com/scholarships) to learn more.

In the 26 years since GreyStone initiated Operation Round Up, members have generously donated over \$6.5 million. At GreyStone, giving back to our communities is a fundamental principle, and many members have joined us in this important effort.

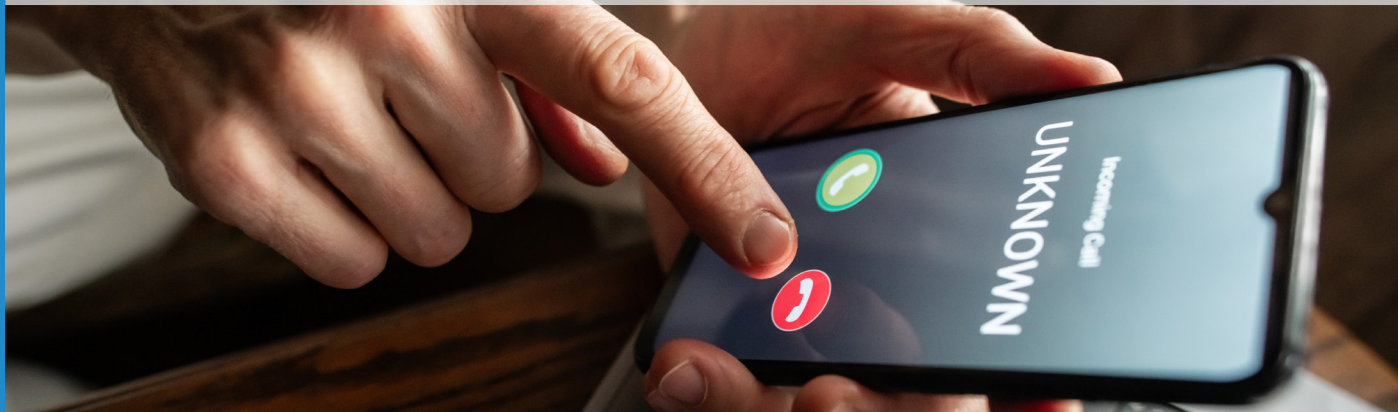

Do you want to see how your change can change lives? Sign up today to participate in Operation Round Up at [greystonepower.com/oru](http://greystonepower.com/oru).

## CONSIDERING ROOFTOP SOLAR?

Be aware of solar installers who make big promises, like eliminating your electric bill. **In most scenarios, that's simply not true.** At GreyStone Power, we know solar, and we can help you evaluate your solar energy options.
