POWERING COMMUNITY GIVING

It's the best time of the year again! It's November and Giving Tuesday is near. Every year on the Tuesday after Thanksgiving, millions of Americans donate billions to U.S. nonprofits.

As a GreyStone member, you have the opportunity to give back every month by rounding up your power bill to the nearest dollar. On average, members contribute just 50 cents a month—and when combined, these small amounts make a big difference.

Through our Operation Round Up program, more than 30,000 members are already rounding up to help neighbors in need. If you'd like to join them, visit greystonepower.com/oru to sign up. We especially encourage members to enroll on Dec. 2 for Giving Tuesday!

During the 12 months ending in August of this year, Operation Round Up has provided \$20,000 in scholarships and over \$725,000 in assistance to local organizations such as Truth in Nature, Special Olympics, Warehouse of Hope, The Good Samaritan Center, Paulding Child Advocacy Center, Helping Hands of Paulding County, Emma's Place, Community Brickworks, The Giving Gardens and many more.

The GreyStone Power Foundation, Inc. recently met with the West Georgia Regional Library System. The Foundation granted them a donation of \$3,000 this past February, which allowed them to purchase more books for their libraries. Opportunities like these reflect our guiding principle of giving back to the communities we serve.

Since the program began in 1998, GreyStone members have donated more than \$7.4 million to strengthen our communities.
