Giving Tuesday

The season of giving is here! With Giving Tuesday right around the corner on the Tuesday after Thanksgiving, millions of people across the country come together to support causes close to their hearts.

At GreyStone Power, giving back is something you can do all year long. Through our Operation Round Up program, members round their monthly electric bills up to the next whole dollar. While the average contribution is only about 50 cents a month, that small amount creates life-changing impact when pooled together.

More than 30,668 members are already participating to help our neighbors thrive.

Over the past 12 months ending in August of this year, Operation Round Up awarded $20,000 in scholarships and distributed more than $931,000 in vital assistance to local organizations — including S.H.A.R.E. House, Special Olympics, Warehouse of Hope, Good Samaritan Center, CASA of Douglas County, the Nichols Center, Helping Hands of Paulding County, Beyond the Front Porch, Positive American Youth and Emma's Place.

GreyStone is proud to offer the GreyStone Power Foundation Scholarship. This scholarship is awarded based on academic performance as well as school and community activities. Five $3,000 scholarships, made possible by members who participate in Operation Round Up, are awarded to GreyStone Power members or their children who are either seniors in high school or enrolling in college annually.

Since 1998, generous GreyStone members have contributed over $8.3 million to strengthen local communities. Join the movement this Giving Tuesday, Dec. 1. Visit *greystonepower.com/oru* to enroll today.

Every year, GreyStone employees take part in the GreyStone Gives initiative, where they can volunteer up to eight hours. Recently, they participated with the Cultural Arts Council of Douglasville/Douglas County to clean up their garden, pulling weeds and trimming overgrowth.
