October 2024

**GREYSTONE**  
POWER CORPORATION

*An Electric Membership Corporation*

## RELIABILITY *Rating*

IN 2023, GREYSTONE POWER HAD A 99.98% RELIABILITY RATING. WITH 742 MILES OF RIGHT-OF-WAY TRIMMED, THIS PROACTIVE MAINTENANCE CONTRIBUTED TO STABLE AND CONSISTENT POWER QUALITY. FAST-WORKING LINE CREWS ALSO HELPED TO MINIMIZE OUTAGES AS WELL AS DISRUPTIONS.

## SISTER CO-OPS

GREYSTONE POWER RECENTLY SENT A COUPLE OF CREWS TO NORTH CAROLINA TO ASSIST ENERGYUNITED EMC WITH STORM RESTORATION WORK AFTER TROPICAL STORM DEBBY. THEY WERE HIT WITH OVER 10,000 POWER OUTAGES AND MORE THAN 30 BROKEN POLES.

## WORKFORCE DEVELOPMENT

GreyStone is dedicated to supporting the community through workforce development. The co-op is facilitating career growth for employees and actively collaborating with schools to create exciting prospects for students.

GreyStone collaborates closely with the Energy Pathway program at the Paulding College and Career Academy (PCCA). Five PCCA graduates completed internships this summer and advanced to first-year apprenticeships. "I help out the linemen and try to learn something new every day," says Brady Austin, a first-year apprentice, former summer intern and academy graduate.

The Energy Pathway program launched in 2019 and the internship program began in 2022. So far, GreyStone has hired nine apprentices through this program.

Another local school GreyStone partners with is the Cobb Innovation and Technology Academy (CITA), a magnet program at Osborne High School. This summer, four CITA students interned at the co-op. In addition to CITA and PCCA, GreyStone will be partnering with more schools in the service territory, such as Pebblebrook High School.

In October, GreyStone celebrates "Careers in Energy Week." This initiative raises awareness to students about the various career opportunities in the energy industry. "Establishing a workforce development program secures a future pipeline of employees for our organization and supports our guiding principle of community concern," says Rita Wilson, HR manager.
