GREYSTONE POWER CORPORATION

An Electric Membership Corporation

SUMMER Heat

GREYSTONE'S HIGHER SUMMER RATES RUN JUNE-OCTOBER. TO SAVE MONEY, SET YOUR THERMOSTAT AT 78 DEGREES OR HIGHER IN WARMER MONTHS. GREYSTONE MEMBERS ENJOY LOW PRICES ALL YEAR, WITH THE LATEST PSC SURVEY SHOWING GREYSTONE RATES 11% LOWER THAN GEORGIA POWER.

PAYMENT KIOSKS

GREYSTONE HAS 16 PAYMENT KIOSKS THROUGHOUT OUR SERVICE AREA. THIS FEE-FREE PAYMENT METHOD IS A CONVENIENT WAY TO PAY YOUR POWER BILL IN YOUR COMMUNITY. FOR A LIST OF LOCATIONS, VISIT GREYSTONEPOWER.COM/PAYMENTKIOSKS.

OPERATION ROUND UP

Giving back to the communities we serve is one of GreyStone Power's guiding principles. This is a value we share with many of our members.

Each month, more than 26,000 members participate in GreyStone's Operation Round Up program. By rounding up their power bills to the nearest dollar, these members supported more than 100 nonprofits in 2020.

For example, if your bill is \$76.75, it would be rounded up to \$77, with 25 cents donated to Operation Round Up. You may be asking yourself how it is even possible to support so many organizations by just rounding up a power bill. On average, members give \$6 a year. When you combine all of the members who participate in the program, the impact is great to the community GreyStone serves.

In addition to helping nonprofits, Operation Round Up also funds scholarships. Five \$3,000 scholarships are awarded to GreyStone members or their children each year. Visit greystonepower.com/scholarships to learn more.

Since GreyStone started participating in Operation Round Up in 1998, members have donated nearly \$6 million. Just think of the impact nearly \$6 million could have in your community. This effect could be even greater, because the more members who sign up, the more people that can be helped.

So, what are you waiting for? Sign up today. It is easy; visit greystonepower.com/oru. Just think how your change can change lives.

Which costs more?

A fast food meal or a day's worth of electricity from GreyStone Power?

The average home served by GreyStone Power uses **\$4.05 a day*** worth of electricity. Compare that to your next fast food purchase.

The electric cooperative offers rates 11% lower** than Georgia Power and a **99.98%** reliability rating.

Now, that's value!

* Based on the average electricity used by GreyStone Power residential members in 2020.

** According to 2021 rate survey by the Georgia Public Service Commission. Based on 1,000 kilowatt-hours monthly residential use.

Capture your share of the sun for only \$22 a month. Visit greystonepower.com/solar for more information.

PAY YOUR BILL WHERE YOU SHOP

Members now have a **FAST** and **CONVENIENT** way to pay GreyStone Power bills through the checkout lane at participating retailers.
